

From the Chairman

Since the inception of our Foundation in 1944, we have always provided deserving students an opportunity to enter the Naval Academy via our preparatory school program. This is a need-based financial assistance program and has sponsored more than 3,500 deserving candidates to the Naval Academy over the years. Today, there are almost 300 Foundation graduates within the Brigade of Midshipmen. Equally important, and in consonance with our mission to maintain the Naval Academy's Athletic Excellence, we are providing critical financial support to the club, intramural and varsity athletic programs.

Our Foundation, which includes Trustees, Associate Trustees and Foundation Parents, was an integral part of the \$250M+ comprehensive campaign to support the U.S. Naval Academy. In fact, our small group alone contributed more than \$41M towards the campaign goal, thereby continuing our tradition of relevance and responsiveness to the Naval Academy. To preserve this tradition of support, an Athletic Excellence Fund was established. Athletic Excellence is now our primary fund raising focus going forward; it's the

lifeblood of this organization. We have asked all of our Trustees to support this important program. The Classes of 1970 and 1980 have also included the Athletic Excellence Fund as part of their ongoing class fundraising projects.

The strength and vitality of our organization continues as evidenced by the induction of the following 23 new Trustees, whom we welcomed at our fall and spring meetings:

ADM C. Steve Abbot '66, USN (Ret.)
Mr. Charles T. Blocksidge Jr. '95
CAPT William T. R. Bogle '68,

It is my sad duty to report the passing of seven fellow Trustees during the past year:

- **CDR James Carrington '48**
Trustee since 1968
Died 6/1/2009
- **VADM James Calvert '43**
Trustee since 2007
Died 6/3/2009
- **ADM Ralph W. Cousins '37**
Trustee since 1977
Died 8/5/2009
- **Mary Ellen Hanley**
Trustee since 1980
Died 8/17/2009
- **CDR Garland Rex Kilbourn '50**
Trustee since 1996
Died 10/20/2008
- **RADM Steve Quigley**
Trustee since 1978
Died 3/3/2009
- **Mr. Fred Schnurr '44**
Trustee since 1988
Died 1/29/09

It should be noted that all six of these Trustees were long-time supporters of the Naval Academy. Admiral Jim Calvert was also a former Superintendent of the Naval Academy from 1968-1972.

On a more positive note, the renaissance of Navy athletics continues unabated. If you have visited Annapolis recently, you have

seen the extraordinary transformation that has taken place at the Navy-Marine Corps Memorial Stadium. After a complete 3-year renovation, it's now recognized as the most beautiful mid-sized college football stadium in the country! More importantly, it is a fitting memorial to the sacrifice made by our Navy and Marine Corps personnel who have participated in each of our nation's wars and continue today in the global war on terror. The Wesley Brown Fieldhouse was dedicated and opened last year and houses an indoor track and foul weather practice facilities for major teams. The Brigade Sports Complex, across the river by the golf course, also opened last year and includes indoor/outdoor tennis courts, fitness center and workout facilities, indoor golf facilities, a pro shop and also a new ice hockey arena. This year the crew house, Hubbard Hall, will finally undergo renovation. All of these projects will greatly enhance the world class athletic facilities offered at the Naval Academy. Our Midshipmen deserve nothing less.

Again, our Foundation purpose is to remain relevant and responsive to the needs of the Naval Academy. We have achieved that by increasing our financial support for Navy athletic programs over the past several years. We have also increased the amount of tuition assistance for each of our prep school students. Finally, our Trustees have stepped up and are involved in a wide range of volunteer projects to assist Navy athletic programs and educate our Midshipmen athletes about the rich heritage and tradition of which they are now a part.

And finally, I thank each of you for your personal support. Our efforts have made a significant impact on

overall athletic excellence within the Brigade and will continue to do so in the future. At our spring meeting we were faced with a decision. Do we step up to meet the \$400,000 deficit needed by our Director of Athletics to balance his budget or do we inform the Superintendent that we cannot fulfill the request. We chose to step up! Since then we have raised \$295,000, which is 74 percent of our goal and, more importantly we are at 75 percent participation. I am now confident we shall move the goal with 100 percent participation. Thank you!

I look forward to seeing you and working with you throughout the year.

From the Executive Director

Ed Wallace '72 Emcee's Trustee Fall dinner.

This has been another outstanding year for our Athletic & Scholarships Program. I've really enjoyed and am privileged to work with so many wonderful families and candidates, our own Alumni Association and Foundation, as well as the staffs of the Naval Academy Admissions and Athletic departments.

We held our spring and fall meetings and each was attended by many of our 250 active Trustees and their spouses. Our focus at both events was staying relevant to the Naval Academy and promoting the Athletic Excellence Fund and the prep school program. While we are doing very well overall, we still need your help in our mission to support both important programs. The information provided below gives you an idea of the wonderful impact we've had over the past year.

Athletic Support

An important part of the mission is, of course, the Foundation's monetary support to the Naval Academy and NAAA for the varsity, club and intramural sports programs. Much of the renovation work at the Navy-Marine Corps Memorial Stadium was funded by our

organization. We are also committed to keeping the current football coaching staff intact. With Ken Niumatalolo as the head coach and an aggressive but realistic schedule this year, we have a great opportunity to extend our current run of successful seasons and to again retain the Commander-in-Chief's Trophy. That coaching staff stability is critical to the success of the program.

During the past year, we provided almost \$1.6M in private grants for recruiting, team and coaches' travel, trophies, team equipment, radio broadcasting, athletic facilities and annual coaches and Midshipmen athletic awards. We are committed to provide more than \$1.4 million during the upcoming year to not just the major sports but all varsity, club and intramural teams at the Naval Academy.

In just the last several years, our unique organization has contributed more than \$47 million to the Naval Academy, the preparatory school program and Navy athletics. We could not accomplish this without the generous contributions each year from our Trustees, Associate Trustees,

parents and friends of the Naval Academy. Thanks again for your sincere commitment to our Foundation!

Scholarship Programs

We completed another successful Admissions cycle for the entering Class of 2013 at USNA on 1 July. Of our 75 original Foundation sponsored prep school students, 64 became Midshipmen on Induction Day for an outstanding 85 percent.

The following applies:

- Total Foundation students inducted—64 (55 men, 9 women)
- Blue Chip (recruited) athletes—14
- Average SAT scores—1169 (V-579, M-590)
- Minority students—17
- Varsity letter winners in high school—98 percent

We hosted a wonderful reception the day before Induction Day for excited Foundation students and their families at the Navy-Marine Corps Memorial Stadium dining facility. More than 350 people

attended the event. It was a great way to say “Welcome Aboard!” to our newest Plebe Class. Our Superintendent, Vice Admiral Jeff Fowler ’78, his wife Katie and Commandant, Captain Matt Klunder ’82, were there, too.

Next year’s Foundation prep class (USNA 2014) is already formed, with 62 prep students enrolled at our 20 affiliated prep schools for next

year (2009–10). Their credentials are just as impressive. Historically, 95 percent of our sponsorees become Midshipmen each year. Of that number, over 85 percent will graduate in 4 years from USNA with a Bachelor of Science degree, the highest of any accession source to USNA. So, our program is a win-win for our students and the Naval Academy!

If you have any questions or want to do more to support our programs, don’t hesitate to call our office. Thanks again for your outstanding support!

Awards

Admiral Louis E. Denfeld Memorial Award

The Admiral Louis E. Denfeld Memorial Award recognizes that Foundation sponsored member of the graduating class who has best displayed traits of leadership, demonstrated academic proficiency and has participated extensively in extra-curricular activities. This award honors Admiral Denfeld, a 1912 graduate of USNA, a destroyerman in World War I, a submariner in the '20s and '30s and Chief of Naval Operations in 1947. After retirement, he became the original Chairman of the Foundation's Board of Trustees.

This year's recipient of the Denfeld Award was **Midshipman Christopher W. Cobb** from Saddle River, NJ. Christopher attended Blair Academy in Blairstown, NJ, under Foundation sponsorship. He majored in Mathematics and his service selection was Navy Pilot.

H. McCoy Jones Award

The H. McCoy Jones Award recognizes that Foundation

sponsored member of the graduating class who has demonstrated the highest degree of excellence in the Naval Academy athletic program and in leadership and competitive spirit. This award honors "Piggy" Jones, one of the founders of the Naval Academy Foundation, who personally ran the preparatory school program during the '40s and '50s.

This year's recipient of the Jones' Award was **Midshipman Gretchen R. Driessnack** from Dale City, VA. Gretchen attended Northfield Mount Hermon School in Northfield, MA, as a sponsored Foundation student. She majored in Oceanography and her service selection was USMC Ground.

E.E. "Rip" Miller Varsity Football Award

The E.E. "Rip" Miller Varsity Football Award is presented annually by the Naval Academy Foundation to that member of the varsity football squad who is voted by his teammates as having contributed the most to the team. This award is a lasting tribute to

Rip Miller who played a major role in the development of Navy football as coach and assistant director of athletics for 48 years, 1926-74.

This year's recipient of the Miller Award was **Midshipman Shun T. White**. Shun majored in English and his service selection was Surface Warfare.

Roger Staubach Trophy

The Roger Staubach Trophy is in honor of Roger Staubach '65.
